Korean Veterans to Remember the 60th Anniversary of the Armistice!

Above photo is from the 2012 Celebration of the 59th Anniversary of the Armistice ending the Korean War. Chapter 169's Honor Guard is presenting colors, and President Wally at the lectern and Don Baron in background. We are asking every member who can to come on July 27!

The Memorial will begin at 10:00 a.m., Saturday, July 27, 2013, at the beautiful Veterans Memorial at Fountain Park, Leesburg (near city hall).

The Villages Twirlers Flag & Drum Corp will provide entertainment prior to the Memorial, beginning at 9:15.

Memorial Program printed on Pg. 5.

The ground was hard and rocky, and we had to chip away with our trenching tools. Then it began to rain real hard," recalls eighteen-year-old BAR man Norm Fosness as he lay in wait for the North Korean Communists near the town of Osan, South Korea.

Fosness was with Task Force Smith, a small contingent of about 500 infantry and artillery of the 21st Infantry Regiment, 24th Infantry Division. They were the first U.S. ground troops committed to

the defense of Korea; their mission was to delay the Communist advance to the south.

"I couldn't see very far; there was a hill in front of us," Fosness continued. "Suddenly a T34 (Soviet) tank popped into view as it came around a curve in the road maybe 1,500 yards away."

"Then another and another; I started to count the tanks," Fosness recounts. "I quit at 16! I knew we were in big trouble! I knew then that this was not just a few bandits

crossing the 38th parallel!"

"And they didn't run when they saw American uniforms!"

This story, indeed all of the Korean War up to today, will be painted by Keynote speaker, Tom Thiel, who served as a foot-soldier in 1951-52 in Korea, when he invites us to "Remember Korea 60 Years Ago."

Initially referred to as a "Police Action" or "Conflict," the Korean War spanned a 3-year brutal period

President's Column

We had another outstanding speaker, Steven Rinck, President, Dade Battlefield Society at our June 26th meeting.

Having interesting speakers who are not attempting to sell us anything is making our meetings more exciting. We are also managing to keep the meeting work portion time to a minimum.

Next meeting is set for viewing the Eddie Ko CD depicting his early years during The Korean War. We were unable to view this during his visit to our Chapter due to technical difficulties.

The Sergeant at Arms duties are being modified. He will still be at the entrance to the meetings taking attendance, selling 50/50 tickets and report on the Quorum.

However, the Color Guard leader will advance the Guard, post and salute the colors, lead the group in the Pledge of Allegiance, and ask the Chaplain to offer a prayer. After that, the Leader will dismiss the Color Guard and retire.

The Sergeant at Arms will pass the member sign in sheet to the first table and ask that it be passed around the room to ascertain attendance. He will continue to run the 50/50 drawing toward the end of the meeting, call for a flag salute, then turn meeting over to the Chaplain for a final prayer.

After that, the meeting will be adjourned. Once adjourned, the Color Guard will retire the Colors.

I believe a pressing requirement is to get younger Korean SERVICE Veterans involved with our Chapter. We need to be creative about this. These Service Veterans are out there. I ask each of you to give thought to this and offer your input at our July meeting.

One final note: I was surprised that we didn't have more of you coming to the 60th Armistice celebration on July 27 at VMFP.

This is a once in a lifetime opportunity. I ask that those of you that did not raise your hands when I asked who was planning to attend, PLEASE RECONSIDER.

The Declaration of Independence 4 July 1776

A DECLARATION BY THE REPRESENTATIVES OF THE UNITED STATES OF AMERICA IN GENERAL CONGRESS ASSEMBLED.

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,— That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated in-

juries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by

refusing his As-

sent to Laws for establish-
ing Judiciary powers.

He has made Judges de-
pendent on his Will alone,
for the tenure of their of-
fices, and the amount and
payment of their salaries.

He has erected a multi-
tude of New Offices, and
sent hither swarms of Of-
ficers to harrass our peo-
ple, and eat out their sub-
stance.

He has kept among us, in
times of peace, Standing
Armies without the Con-
sent of our legislatures.

He has affected to render
the Military independent
of and superior to the Civ-
il Power.

...Portion Removed...

In every stage of these
Oppressions We have Pe-
titioned for Redress in the
most humble terms: Our
repeated Petitions have
been answered only by
repeated injury. A Prince
whose character is thus
marked by every act
which may define a Ty-
rant, is unfit to be the rul-
er of a free people.

Nor have We been want-
ing in attentions to our
British brethren. We have
warned them from time to

time of attempts by their
legislature to extend an
unwarrantable jurisdic-
tion over us. We have re-
minded them of the cir-
cumstances of our emi-
gration and settlement
here. We have appealed to
their native justice and
magnanimity, and we
have conjured them by
the ties of our common
kindred to disavow these
usurpations, which, would
inevitably interrupt our
connections and corre-
spondence. They too have
been deaf to the voice of
justice and of consanguin-
ity. We must, therefore,
acquiesce in the necessity,
which denounces our Sep-
aration, and hold them, as
we hold the rest of man-
kind, Enemies in War, in
Peace Friends.

We, therefore, the Repre-
sentatives of the united
States of America, in Gen-
eral Congress, Assembled,
appealing to the Supreme
Judge of the world for the
rectitude of our inten-
tions, do, in the Name,
and by Authority of the
good People of these Colo-
nies, solemnly publish
and declare, That these
United Colonies are, and
of Right ought to be Free
and Independent States;
that they are Absolved

from all Allegiance to
the British Crown, and
that all political connec-
tion between them and
the State of Great Britain,
is and ought to be totally
dissolved; and that as
Free and Independent
States, they have full Pow-
er to levy War, conclude
Peace, contract Alliances,
establish Commerce, and
to do all other Acts and
Things which Independ-
ent States may of right do.
And for the support of this
Declaration, with a firm
reliance on the Protection
of Divine Providence, we
mutually pledge to each
other our Lives, our For-
tunes and our sacred
Honor.

from June 25, 1950 to July 27, 1953. Certainly, it was brutal to the Koreans, but it was also brutal to the U.S., which suffered about 170,000 total casualties, with more than 54,000 killed and of those about 34,000 Killed in Action. There were some 3,746 taken as POWs, and 8,142 Missing in Action, most of whose family members still await positive identification of their son's, brother's, or husband's remains, and whose government is not aggressively supporting the process.

Some have written that the Korean War was the first war the United States lost, but nothing could be further from the truth.

We clearly stopped the growth of Communism in S.E. Asia, and that contributed to the fall of Communism throughout most of the world. South Korea today is a beacon of freedom and a republic form of government in that part of the Asia and indeed the world. It is a donor nation with an economy ranking near the top ten in the world, and one of the leading makers of autos, electronic products, ships and other important items.

And, all of this in a space roughly half the size of Florida!

Even this though has been at a price. From the 1953 Armistice, the U.S. has continually maintained a fighting force in S. Korea of some 30,000 troops, some 120 of whom

were also killed in action. These Korean Service era veterans are who we are especially inviting to come to our Memorial, and to join our Chapter.

Memorial Day, May 27, at Ferran Park, Eustis. Chapter members from left: Thiel, Sue Mason, Art Burk (front), Jack Reynolds, Gloria and Jimmy Corbet, Bill Shumaker and Bill Simunek. Jack and the two Bills presented the wreath. Gloria Corbet served as MC, and Thiel read names of the deceased. More of our members should attend this event!

Five New Members at our June Meeting!

Our June Member meeting was special; five new members joined our ranks!

Thanks to Carol's photos, we are able to introduce four of the five; somehow our leaders failed to get that fifth signee in front of Carol's Nikon!

Upper left is **Frank S. Dressler**, of Newcombe Cir, Lsbg. Frank served from 1950-1951, with AF, 314th TC Gp, 62d TC Squadron.

At left is **Diane Weinbaum**, who lives on Misti Dr, Lsbg. Diane served from 1991-1993, with the Army's 121st Evac Hosp.,

At right is **Frank Keaser**, who served 1954-1958, Navy, USS Salem, Macon, ARD 14, USS Glacier. Frank and Dyann live on Sunset Dr, Lsbg.

Right below is **Thomas H. Loeschke**, who served 1950-1953, with the Army Sec Agency. Tom and Beverly live on Meadow Bend Dr, Lsbg.

Finally, **Joe Ruseski**, of Mt Homer Rd, Eustis is the one our camera missed. Joe served 1952-1953, with the 1st Marine Div. Photo next meeting Joe!

**Welcome to all!
Please get involved!**

(Tell America Continued from page 2)

would have liked to have had the camera "see" the interviewers, and perhaps some still photos.

I have watched all of my own and very limited portions of all other recordings. You all did very well. But we are getting old; we repeated ourselves a lot. And we also gave different "facts" about Korean War.

To watch all 12 interview files would take at least 15 hours.

I have kept one complete set, and have divided the others and where necessary made copies so that each

interviewee has the DVD with their interview (and the others that are on that disc).

By now I hope you have viewed it, and perhaps portions of the other interviews on the disc.

What to do from here on?

It would be nice if we all had complete sets; I do not have software to make copies; my wife has made some copies, but I do not want to ask her to do 18 sets!

And I had visions of a single DVD

And this is **Dan Peski**, who joined with us at the May meeting. Dan served in 1952-1953, with the Army's 82d SLT. Dan and Mary Asch live on Nackman Pl, The Villages.

with all of us on it telling an overall story of them interviewing us.

I probably could make that disc from portions of each member's interview. But I do not know how to do that now. Does any of you know how, or do you have a family mem-

Walk-a-thon Tell America Fund Drive planned; your help will be needed!

by Art Iversen, 1st VP, (352) 753-0139

With the Board's encouragement, we have started planning a new idea for Chapter 169 to raise funds to support our programs.

Chapter 169 will host a **walk-a-thon** with the funds split equally three ways—The Wounded War-

rior Program, The Villages Honor Flight and KWVA Chapter 169.

Leesburg High School has agreed for us to use the track around their football stadium.

The date has yet to be determined, but it will be on a Saturday, possibly in the spring,

The Schools where we do The Tell America program will be contacted to ask them to do the walking and getting people to pledge money.

We will need contact various clubs, (Military, Kiwanis, Lions, Rotary, etc.) for their support.

We also will need to contact the communities in the area such as Continental, The Villages, Plantation, Water Oak etc.

And, we will also need to contact business's in the area to be sponsors in the \$2000, \$1000, \$500, and \$250 categories.

We **will not** ask our members to walk.

But, members will be needed before, during and after the event.

You can see this is a big project and we expect all the members to work sometime or other.

We have had several people volunteer already and ask that you contact me to see how you can help.

No other Fund Raiser events are planned. We need to start contacting Publix stores to reserve dates for Tell America Fund Drives now.

Joel Briggs (352) 233-9320, joel@aol.com

Pin sales have been flat recently. We have sold 80 pins since the May 8th meeting, for a total of 598 pins, either sold or given as gifts. Total receipts to date are \$2,160. We needed to sell 220 to begin making a profit. Initial cost was \$862., profit to date is \$1,298. Consideration is being given to placing an AD in Graybeards.

July 2 Membership — 86!

As of July 2, the Association Online Membership DB shows us with 86 members; 83 Regular and Life Active (they logged all our new members on July 2)!

The Chapter Membership DB, however, shows 92 as it also includes our 6 Chapter Honorary Members. We use this file for all Scuttlebutt mailings, Color Guard, medallion, service record and other logs and distributions.

1. Regular and Life Active Members	83
2. Associate Members	3
3. Inactive Members	0
4. Total Members Assoc DB	86
5. Honorary Chapter Members	6
6. Total in Chapter Membership DB	92

Whenever one compares 169 membership with other chapters, they must use the total shown in #4 above. FYI CID173 now has 69 Active, 11 Associate, giving a total of 80; They also have 7 Inactive.

Chapter Honorary Members (CHM)

The Chapter Roster also includes six persons who are shown as Chapter Honorary Members. Such members do not pay dues, and may or may not be members of the Association and get Graybeards. Each is unique.

Our CHM should be included in all Chapter Rosters and Scuttlebutt distributions; they are:

1. Rev. Joseph H Ryu, The Villages
2. Pst. Choong E. Kim, Korean Baptist Ch., Ocala
3. Zillah Gaston of Summerfield
4. Joan Klawunn, Ocklawaha
5. Ted Morford, Jr., Lakewood Ranch, FL (CID FL #199)
6. Don Struhar, Leesburg (CID MA #299)

Rev Ryu, Pastor Kim, and Zillah Gaston were approved as CHM at the June 12 BoD Meeting.

Jackie Gleason made Joan a CHM years ago.

Ted and Don are special cases; both are Associa-

tion Life Members, but they are members of another Chapter. Per Association Bylaws and Procedures, a member is limited to only one Chapter for official purposes, but may participate in other Chapters, except for holding office.

So, Ted and Don, that is why we cannot show you as Member of our Chapter, but we are very happy to have you as a 169 Honorary Member! We have other Honorary Members too, but they are 169 members!

New members, we welcomed you on Page 5, and THANK YOU for choosing CID 169. May we suggest you to link up with our Color Guard, Tell America, or other activities and become known in our Chapter.
