## 61st Anniversary, August 2, at VMFP—Your presence requested

### Seeking all Korean Service Veterans

**K**orean Service Veterans, those 1.8+ million American GI's who served silently in Korea since the signing of the armistice on July 27, 1953, will be recognized in a special 61st Anniversary ceremony on Saturday, August 2, 2014, at 10:00 a.m. at the Veterans Memorial at Fountain Park, Leesburg.

Korea defense service has been and remains a unique—but virtually unknown—cold war type of duty.

At times this duty goes hot. This ceremony will be dedicated to the

nearly 2,000 American soldiers who gave their lives in the line of duty from July 1954 to now in North or South Korea. Neither their names nor their service have been recognized by any federal memorial.

The Chapter will meet KSV after the program. It is essential that we

## Tell America Presentation to members at June 25th program

**T**he Chapter's Tell America program was asked to make a TA presentation to the members at the June 25 Member Meeting so that members can see what it is all about.

Gloria Corbet made the Introductory presentation, Tom Thiel talked about what he experienced in Korea during the war, and Joel Briggs (lower left) told about after the war and what Korea has become in the last 60+ years.

Art Canale, Jim Corbet, and a couple of other members also made ad hoc presentations or comments.

Our Chapter's Tell America Team has appeared nearly 50 times since Harold Sievers, Dick Pfahler, and

Tom Thiel made the first ever one for 169 at Holy Trinity School in Fruitland Park on October 2, 2009.

The programs have been enthusiastically received by all the schools that have had them. It certainly gives students the history of the causes and effects of the Korean War and personal experiences of the members who have served there during and after the war.

It also gives us who were there a

## President's Column by Wally Jones

We have had outstanding success with raising funds this year. Our goal is to have better than \$5,000 in the Treasury for the year 2014. This will let us place \$2,000 in a money market reserve fund with the balance available for expenditures before our 2015 Fund Drives begin bringing in new cash.

The Tell America presentation held our group spellbound during our June 25th meeting. In fact it was an hour -- way over the usual allotted 20 to 30 minutes for our speakers. It was difficult for me to break in as a timekeeper because of the somber experiences related by our

Veteran Members. This was a one-time presentation and I promise to keep further presentations to the allotted time.

Our speaker for the July 23rd meeting is Dianne Culpepper of Lake Tech.

Members seemed to be pleased with my "dry erasure" board displaying our cash flow numbers. Please remember that if you have any questions, come up after the meeting to discuss.

We have had several events this year and the next big one is the 61st Armistice Celebration on Saturday, August 2nd. The theme of this year's Presentation will be devoted to interesting younger Korea Defense Veterans in joining our Chapter. All publicity for the event will specifically center on attracting these Veterans. Our main speaker, Jerry Sexsmith will tailor his talk toward the Korea Defense Veterans

and our own Tom DeRosa (who is one) will speak after Jerry. The two will coordinate their speeches. Please -- all 169 members spread the word.

Chapter Bylaws and The Procedure Manual have been undergoing a thorough examination for suggestions to bring them up to date. Results will be discussed at the July meeting. Provided they meet with Membership approval, a motion to accept will be required.

Last, but not least, we have experienced a lot of member illness. So far everyone seems to be recuperating. Most important, each of you take good care of yourselves. We still have the drive to engage in the activities that seem to be so easy, but please think about your age and curtail some of those things that could hurt you.

good chance to share what we did as young soldiers. There are always many questions, giving the students a chance to find out more of the history of the "forgotten war."

The purpose of our presentation at the June 25th Member Meeting was to let members know what the program is. We hope it was successful. ###

## Leesburg Lightning vs S. Korean National Baseball Team

The **Leesburg Lightning** are a wood bat collegiate summer baseball league team located in Leesburg, Florida. The team is a member of the Florida Collegiate Summer League and plays its home games at Pat Thomas Stadium. Wikipedia

The **South Korean national baseball team** (Korean: 대한민국 야구 국가대표팀) is the national baseball team of South Korea, having participated in the Summer Olympic Games of 1984, 1988, 1996 and 2000. At the 2008 Summer Olympics, it won the gold medal in a final victory against Cuba. Currently, the South Korean men's baseball team is ranked 8th in the IBAF World Rankings. Their fans are nicknamed "Blue Bo-gy" (Korean: 파란 도깨비)

### Where

To be played at Leesburg's Pat Thomas Stadium either August 8 or August 10.

**Pat Thomas Stadium** is the big reason why the Leesburg Lightning is the best draw in the summer-collegiate Florida Collegiate Summer League, attracting larger crowds most weekends and generating near-capacity attendance when the likes of the US Military All-Stars hit town.

Pat Thomas Stadium is located near the shores of Lake Harris in the old Venetian Garden area of Leesburg. It comes from a more romantic era in Florida, built in 1937 on what was then an island -- earning the name of Baseball Island of Venetian Gardens -- as part of the Works Progress Administration and luring the Phillies to town. It's basically in the same shape as it was the day it opened, except for the removal of the grandstand press box.

It is located at the intersection of Dixie Avenue (SR44) and S. Canal St. Leesburg.

### Still in developmental stage

This is in the developmental stage yet with Bob Peters and Tom Thiel coordinating the effort.

Plans are to involve the Chapter in a special effort to recognize the South Korean team.

We intend to approach our fellow Chapters in our general area as well as members of the Korean-American communities.

One suggestion that has been made is to provide South Korean team members with one of our lapel pins as a memento of their visit to Central Florida.

Keep tuned; we will keep you aware of plans as they develop.

We will need you to come to the event to give it more wham! We are told that both admission and parking are free.

## Tell America Fundraising Report by Art Iversen

We were at Mt. Dora Publix on June 14th Tom Thiel, Joe Gruber, Don Lynch, Al Schuetz, Tom DeRosa, Herb and Alma Goebel, Joe Gruber, and Jim & Gloria Corbet doing a great job bringing in \$1,095.43.

On June 21 we were at Publix on 466A with Joe Briggs, Art Iversen, Gordon Talbot, Don Lynch, Gene Zender, Dave Lavery, Wally Jones, Herb and Alma Gruber, and Dan Pesky. In spite of a heavy rain still brought in \$1,180.51 good job.

## Ping provides free golf clubs to wounded Vets!

**O**n Monday, I played the Disney, Lake Buena Vista course. The starters matched me with three other players.

After a few holes we began to get to know each other a bit.

One fellow was rather young and had his wife riding along in the golf

cart with him. I noticed that his golf bag had his name on it and after closer inspection it also said "wounded war veterans."

I asked him about the bag. His response was simply that it was a gift.

I then asked if he was wounded and he said yes. When I asked about his

injury, his response was "I'd rather not talk about it, sir."

Over a few holes I learned that he had spent the last 15 months in an army rehabilitation hospital in San Antonio TX. His wife moved there to be with him and he was released

## Letter to the Editor

Tom

Char & I just read the May Scuttlebutt and we thank you for keeping us informed and our hats are off to all the people that do so much to keep things going.

On page nine as I understand it is a list of names of those contributing money to the DOF convention.

On March the seventh I sent a check to Bob McGuire per your request, he cashed it on April the first. It was written on our Citizens First Bank and it was check number four twenty nine. If I'm confused please let me know.

Take care & GOD BLESS!

Char & Jack C. Corscadden

---

Jack and Char

I have checked this with Department of Florida, Bob McGuire, who acknowledges they made a mistake. DoF is sincerely sorry, and is prepared to offer you a free listing in the 2015 Convention Booklet to compensate you. We will also acknowledge your contribution in the next DoF News.

## Making your photos tell a story

It is imperative that we get good photos of all of our events. Without a photo there is no story.

Make the photos themselves tell a story. A photo of our workers at a TA Fund Drive only documents that they were there; a photo of one of our members interacting with a donor is a story!

Art, your photos on the 466A Fund Drive (page 4) do a very good job of telling a story. Congratulations!

from the hospital in September.

He was quiet but he did say that he wanted to get good at golf.

We had a nice round and as we became a bit more familiar, I asked him about his set of Ping woods and irons he was playing. Some looked like they had

never been hit.

His response was simple; this round was the first full round he had played with these clubs.

Later he told me that as a part of the discharge process from the rehabilitation hospital, Ping provides three days of golf instruction, followed by club fitting. Upon dis-

charge from the hospital, Ping gives each of the discharged veterans, generally about 40 soldiers, a brand new set of custom fitted clubs along with the impressive golf bags.

The fellow I met was named Ben Woods and he looked me in the eye and said that being fitted for those

Membership as this goes to press is 87—83 Regular Members and four Associate.

clubs was one of the best things that ever happened to him; he was determined to learn to play golf well enough to deserve the gift Ping had given him.

Ben is now out of the service medically discharged just a month ago. He is as fine a young man as you would ever want to meet.

Ping, whose products are made with pride here in America (Arizona), has the good judgment not to advertise this program.

God Bless America and the game of golf. Thank you PING !!!

## Minutes, June 25 Member Meeting

Meeting called to order by President Wally Jones at 2:00 p.m.

Color Guard post colors, Pledge of Allegiance and prayer. Sgt. of Arms presented POW/MIA flag.

Bob Peters called to our attention the possibility of a baseball game between the Leesburg Lightning baseball team and the Korean National team. It is still not set for certain but Bob and Tom Thiel will pursue this. It would give our chapter great media coverage if this were to happen. There was support to try to bring in the local central FL Korean community, and to give the members of the team one of our lapel pins as a remembrance.

Carol Becker showed three KSV Recruiting Aprons she had made in response to outside KWVA members and departments but who did not follow-up. She wanted to recover the approximately \$30.00 per apron by selling to members. Motion made by Tom Thiel with second by ?? for the Chapter to purchase these aprons; a suggestion was made that they could be used at Fund Drives. Motion approved without dissent.

Carol also has developed a prototype tee shirt with a message similar to that on the Aprons above. This will be discussed at the BoD.

TA Speakers Gloria Corbet, Joel Briggs and Tom Thiel presented an excellent program on the Tell America programs to let the members know what our Tell America program is. Art Canale, Jim Corbet, and a couple of other members made ad hoc presentations or comments. The programs have been enthusiastically received by all the schools that have had them. It certainly gives students the history of the causes and effects of the Korean War and personal experiences of the members who have served there during and after the war. It also gives us who were there a good chance to share what we did as young soldiers. There are always many questions, giving the students a chance to find out more of the history of the "forgotten war."

President Wally presented an excellent chart that he had prepared with all the income and disbursements for the last period.

The Treasurer's report indicates a total of \$6,150 dollars in the chapter's treasury. We received over \$2000.00 at our last two fundraisers.

The Quartermaster advised that he has caps and shirts and encourages all to wear as many articles of clothing as we can to promote the chapter.

Chapter Website-- Tom Thiel said

he has added the following items to the Chapter Website: Preliminary copy of August 2, Draft 61st Anniversary Program; draft copies of Chapter revised bylaws and Policy, Procedures and Duties Manual; and a link Tampa Bay Times article on Korean War License Plate.

Bylaws revision -- Tom also reported that the Bylaws and Policy, Procedures and Duties Manuals is being rewritten and a Computer Manual developed. Plan to present to BoD at July 9 meeting and make available for members at the July 23 meeting; vote by members at August 27 meeting.

Scuttlebutt -- Tom said that members of the BoD and others that make oral reports at Member Meeting should also report them by email if possible for inclusion Scuttlebutt..

Graybeards articles -- An article on Walkathon and photo and caption of DJ Lynch in Apron are both in the May-June issue. Two others in idea and development stage. Tom has also submitted two DoF articles.

Chapter History-- Tom keeps digital Chapter history on website. Carol keeps photos and newspaper articles in binders. Would someone like to take over the Historian role.

*(Continued on page 10)*

(Continued from page 9)

The sixty-first Armistice celebrations will be held August 2nd and all are encouraged to be there.

Wally introduced a guest, Bert Nease, a combat Korean veteran with the 5th RCT of the 24th Infantry Division. We hope you will join our group, Bert.

We are trying to get the American Legion hall for our Christmas party but prices at this time seem to be a little too high. We will continue to negotiate with them.

We have two members on sick call, Jack Reynolds and Don Lynch; get

well guys.

### Good of the Order:

#### Future Speakers

- July – Dr. Dianne Culpepper, Lake Tech.
- August – Fund Drive Training Session.
- September--Daniel Webster

Tom reported on article "Korean Conflict' tags get boot in favor of new wording" in Tampa Bay Times. Mr. Metz suggested a thank you letter to Governor Scott, which Tom sent. He also invited Mr. Scott to come speak to us. Just so you know.

Gordon Talbot spoke of our dinner with the members of the Korean Church in Ocala, and wounded if that might be repeated. Members expressed great support for this idea.

POW/MIA flag was removed and colors retired.

Meeting adjourned. 4:00 p.m.
