Veterans Day at Eustis' Ferran Park

Joel Briggs, Bill Shumaker, Frank Keaser, and Bill Simunek are flanked by Eustis AF Jr. ROTC Cadets as they carry the chapter's wreath to the memorial in Ferran Park.

Thirteen CID169 members attended at the beautiful venue gazing out on Lake Eustis. CID169 has become a regular fixture at this ceremony; Bill Shumaker engineered our participation four years ago in 2012. This

Editors note: The President's Column by Art Iversen will not be in our Scuttlebutt this issue. Instead we have the following very somber column below. Our collective truly sad hearts go to Art and his family. You may send your expressions of sympathy to: Arthur Iversen, 611 San Marino Dr., The Villages, FL,

Lois Jean Iversen

Passed away peacefully on Monday, November 16, 2015, surrounded by her family. She was born in Chicago, April 23, 1938. She married Arthur Iversen in 1959. They relocated to California in 1963. In 1990 they moved from Orange, CA to The Villages, FL, where she as lived for the last 25 years. Lois loved her retired life in Florida working as a Tour Escort for AAA Travel Co. for 17 years.

She was preceded in death by her daughter, Wendy Lynn. She is survived by her husband Art, and their sons Gary and Bret Iversen, granddaughters Lindsey Wendy Lynn Iversen and Sarah Jean Iversen. Lois was a devoted wife, mother, grandmother, and friend. She always had a smile and never had a bad word to say about anyone.

There will be a Celebration of Life Service 10 AM, Tuesday, December 8, 2015, at The Waterfront Inn, 1105 Lakeshore Drive, The Villages.

In lieu of Flowers, donations may be sent to: The Village Charter High School, Buffalo Booster Club, Scholarship Fund. 251 Buffalo Trail, The Villages, FL 32162 .

Theodore (Ted) Morford, Jr., Bradenton, FL, concluded his battle with cancer and moved on to live with the Lord on November 2, 2015.

Born September 17, 1928 in Nashville, Tennessee, Mr. Morford is survived by his wife of 66 years, Marie Brown Morford; son, Edmund Dandridge (Dan) and daughter, Lisa Marie Hughes; grandchildren, Christina, Gabrielle and Alyssa Morford, and Joseph and Benjamin Hughes.

He was preceded in death by parents, Dr. Theodore Morford and Helen Hawkins Morford, and a brother, Dr. Herbert T. Morford.

Ted was a 1951 graduate of Vanderbilt University prior to his commission as a U.S. Army officer. He served as a combat engineer in wartime Korea, followed by 14 additional years in the active reserve, retiring in 1965 as a Captain.

He graduated law school in 1958, and commenced a distinguished career in corporate tax law adjudication.

Ted was awarded lifetime honorary member in KVV of Lake County FL, Chapter 169, serving as a past officer and BoD member; he regularly placed flags for ceremonies at The Villages' Veterans Memorial. He was a Life Charter member of KWVA.

Interment was at Sarasota National Cemetery, FL, Friday, November 6.

Chapter 169's Color Guard members attending were (above, left to right) Frank Keaser, Joel Briggs, Gene Zender and DJ Lynch. Also attending were Joe Gruber, Charlie White and Tom Thiel. ###

Membership 114, again! by Tom Thiel, Secretary/Membership Sys. Mgr.

In October's Scuttlebutt we reported that we were number three in the nation with 114 members!

Then sadly, we learned of the loss of one of us, John Hayes. And shortly after that the loss of a very long time member Ted Morford, Jr. We were very sad to lose John and Ted because they meant so much to the chapter. And also because that

took us back to 112 members, which was good enough to be a solid fourth.

But, at November's Saturday Member Meeting we added two new members, Peter Prosper and John Sirignano both from The Villages.

We value Peter and John becoming new members and note that this will again take us back to 114 and

in sole possession of third in the organization based on chapter membership! We didn't obtain member photos so will present Peter and John in the January 2016 Scuttlebutt.

Correction Ed O'Toole

I had Ed in the Army Helicopters, he was with HMR 161, Marine Corps Squadron attached to the 1st Marine Corps Division. ###

UCF VHP Interviews were "terrific!" More on Dec 3.

UCF VHP military history students interviewed ten chapter members at Leesburg and Lady Lake Libraries on November 5.

The reaction by our members was something like "terrific!" in response to my asking how did it go?

Vi's photo of **Carol Becker** being interviewed was representative of the interview process. Note that Carol's interview also was the subject of a front page *Daily Commercial* article by Theresa Campbell.

In addition to Carol, **Gloria and Jim Corbet, Don Leitstein, DJ Lynch, Jack Reynolds,**

Marv Smiley, Alan Stover, Bob Vanas and George Wikane were also interviewed.

More interviews will be conducted on December 3 at Lady Lake. Members to be interviewed then are **Woody Wood, Jr.** (24th IDA member), **Al Schuetz, Joel Briggs, Gordy Talbot,** and possibly **Gene Zender.**

How do you view your recording?

You either have already or will soon receive a thumb drive containing your interview. I wasn't able to view mine at first. My computers were both Windows 7. I tried everything to view the MP4 file but to no avail.

So, I asked my wife. She said "play it on your smart

TV!" Yep, it played. Just plug it into a USB port on the back of your smart TV and select that as the source. Worked first time!

I also found that it will play on my new laptop, which came with Windows 8. I suspect it will play on Windows 10 but have not tried that.

2016 Interviews

Tiffany assured me they will do more interviews next year. If you are interested in being interviewed call **Jack Corscadden** at NJ (609)-391-7988 or FL 352-753-9286.

You may also call **Tiffany Rivera** at UCF at 407-823-3817. ###

Tell America Fund Drive Program Gene Zender & Al Monahan

Tell America Fund Drives are our chapter's main means of maintaining a highly active and viable chapter program. We call them Tell America drives because they enable us to present our Tell America programs, and because we use them to inform the public about the Korean War with our Drive handouts. We held fourteen drives in 2015 bringing in a total of \$13,781.90 for the year. (see table below) I especially call your attention to the Team Members column at the right. It shows who we recorded as providing at least 3-hours of service at each event. Many, however, had to serve multiple shifts. This is because most members do not help at the fund drives! Also note that generally the same members support all drives. My goal is to have enough members to be sure that no one has to be there for more than 3 hours. I am now scheduling our 2016 Drives and trying to obtain Captains. The Captains and I will go to the stores and obtain dates for the drives. The Captain's job is to obtain the needed drive workers, and to see to it that the drive is actually conducted. We are asking all members to participate; if you have physical limitations then please bring a folding chair. But please come. Gene Zender 352-748-0112 Al Monahan 352-750-2598

the photo was taken. And Vi Pfahler was there to take these excellent photos.

This was the first Mount Dora presentation with Major Andrew C. Scott, USAF (Retired), Senior Aerospace Science Instructor as ROTC leader; Col. Richards retired at the end of the last school year.

###

Top right: Joel Briggs presents Major Scott a copy of the “Korea Reborn” book.

Right: Gloria Corbet presents the overview of the Korean War. That was followed by the personal experiences of Gene, Larry and Jim Corbet. Joel Briggs then relates his experience having served three tours with the Army Engineers helping rebuild South Korea after the war. He also tells about the Korean people as well.

Thanks to all Tell America team members for helping us to meet our mission—telling Americans about the Korean War. ###

Department of Florida—DoF

www.cid169.kwva.org/

DoF fits between the KWVA Association and the 21 chapters in the State of Florida. According to the DoF bylaws the purpose of DoF is to “... periodically meet for their common good, and to promote reunion, fellowship and recruitment.”

It holds a Fall Council meeting consisting of the DoF Executive Committee and the chapter presidents. It also holds a Spring Council and Convention, normally in May but this year it will be in April.

CID169 is the host chapter for the April 16, 2016 DoF Convention, at the Waterfront Inn—President Art offered 169 as the host chapter, and DoF accepted his offer. This will involve a lot of various activities, which we will learn more about at a Dec. 2 meeting with DoF. We'll then invite you to participate.

It also will mean we will incur considerable expense.

Convention Book—We hope to recover these expenses by publishing the traditional Annual Convention Souvenir Book. Ads in the Convention Book are purchased by local businesses, DoF chapters, KWVA members and others.

I am building the Convention Book with Publisher, the program I use for the Scuttlebutt. I will send it electronically to the printer, Ford Press.

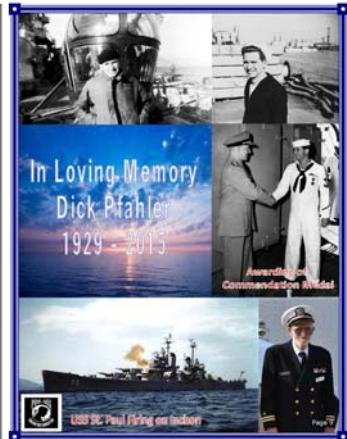

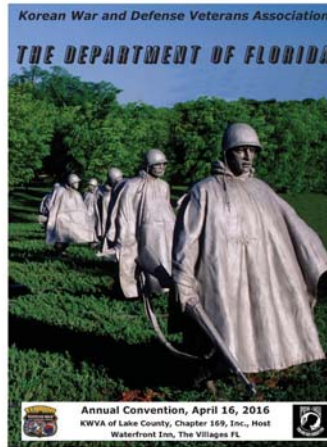

The cover is shown in miniature above left. Those at the top are full pages; those lower down illustrate 1/2, 1/4, and 1/8 page ADs from some of our members.

You may view the entire book to-date and what this discussion is about at: http://cid169.kwva.org/chapter_activities/16-04-16_DFL_convention.htm

You may have your own AD, if you wish

Several have asked about having their own ADs. Some of these are also shown at right. Full-page (8.5x11 minus borders) are \$110; half-page are \$60; quarter-page are \$30, and business-card (1/8th page) are \$25.

You will also be asked to be listed in the book's “Freedom Fighters Page,” also illustrated at right. This will be simply your name only and will be offered for

Can Pop Tops

Frank Keaser would like you to save the pop tops of all your aluminum drink cans and bring them to our meetings.

He will collect and submit to Ronald McDonald House in our name where we can receive some recognition. Thanks

Flag Stars Needed

Doreen Z and several others are making handouts to give to shoppers at Fund Drives. They consist of a star from a worn flag on one side, and a poem on the other. These are enclosed in small plastic poly sealable bags.

The group needs your old tattered flags. They will carefully cut the stars out of the flags, and have the flag remains ceremoniously burned. Please bring your old flags to Chapter meetings, or contact Doreen Zettlemyer at doreenmpeever@aol.com, 352-748-0549; 352-568-5239.
