

The Korean War Veterans of Lake County challenge you to write a short essay addressing the following:

How has the Korean War affected your rights and freedoms as an American, and how did the KWVA presenters today help you in your understanding of the Korean War?

Essays may be one page typed or two pages neatly hand lettered. A monetary award will be given to the 3 students (\$75, \$50 and \$25) who provide the best essays, as evaluated by the KWV of Lake County.
